

# Exciting New Workshop Offered!

## Dan Ryder Computer Drill Design Workshop

Workshop Presented on Thursday, February 19, 2009  
9:00 AM-12:00 Noon and 1:00 PM-3:00 PM

Dan Ryder has been providing drill design workshops and writing custom written competitive marching shows since 1976. Mr. Ryder spent ten years as a drill designer for Jensen Publications where he wrote marching shows in conjunction with the marching band music being published by Jensen Publications. Mr. Ryder has presented drill design clinics and marching band workshops to drill designers and marching band directors throughout the United States and Japan. Dan continues to stay up-to-date with current drill design trends while constantly developing new concepts of his own.
